

Cherry Gertzel Bursary Award

Academic Referee's Report

CONFIDENTIAL (not to be returned to applicant)

Instructions

Bursary applicants are to provide a copy of this form to the two referees nominated on the application form.

One referee should be the applicant's principal academic supervisor for the six months immediately preceding submission of the application. The second referee should have professional knowledge of the applicant's academic ability and research potential.

Applicants are responsible for checking that references have been sent and received by the closing date.

Referee's reports will be verified.

Once completed, the referee report should not be returned to the applicant. The referee is requested to email this report, including electronic signature, directly to Karen.miller@curtin.edu.au
